6th March 2018

Dear Parent/Carer

Your son/daughter has been given an appointment sheet today for the Year 8 Parents' Evening on Thursday 15th March, appointments are between 5pm – 6.55pm.

Appointments are only 5 minutes long which, whilst being short, should enable students and parents/carers to see the vast majority of subject teachers.

We expect the students to make appointments themselves with as many subject teachers as possible.

Please return the reply slip to the school office indicating whether or not you will be attending the evening.

Yours sincerely

Alison Gallagher
Assistant Head Teacher – KS3
