Peterchurch, Herefordshire HR2 0SG - 01981 550 231 admin@fairfield.hereford.sch.uk - Head Teacher: Mrs S L Gaston

10th October 2018

Dear Parent/Carers,

Year 11 Geography: Hereford and Peterchurch Assessment Data Collection - Thursday 25th October 2018

Fieldwork is an integral part of GCSE Geography Exam Paper 3 and we will be taking all Yr 11 Geography students on a field trip day in the morning to Hereford city and in the afternoon to do a local river study on Thursday 25th October. This will enhance their understanding of both the characteristics of urban management and change in Hereford and how river processes change along its course. The data will then be written up and analysed as practice for Exam Paper 3.

- **All** students will arrive at normal school start time and will be back to catch school buses at the end of the day. Please note, students who live in Hereford are expected to come into school first as we will be stopping at different places on the way to Hereford to assess change in different areas.
- Students should wear **layers** of suitable **warm** casual clothes and must bring a **waterproof coat**, regardless of the weather. They **must** have **sensible footwear** with a good grip. On the river's day, they will need to bring wellies and waterproof trousers if they have them and a change of clothing in case they get wet.
- All students will need to bring their own **packed lunch**.
- Students will need **pens, pencils and a clipboard** to make notes on the worksheets and a **plastic bag** to protect their work in the case of rain. Students may bring a **camera** if they wish (at their own risk) to supplement their project work with photographs from the day which can be annotated in their analysis.

We would be grateful for contributions towards the cost of transport for the fieldwork collection of £6 to be paid on Parent Pay.

Please fill in, sign and return the reply form to Mrs Rodgers by Monday 22nd October.

Yours faithfully

Mrs H M Rodgers
Geography Teacher
