Dear Parents and Carer

Year 10 and 11 Maths Revision Guides

Whilst we prepare students thoroughly in their lessons for their exams, we also expect them to undertake independent revision. The Mathematics Department would like to recommend as good value for money the revision guide and separate workbook published by CGP.

GCSE Maths Edexcel Revision Guide for the Grade 9-1 Course (with Online Edition)

GCSE Maths Edexcel Exam Practice Workbook for the Grade 9-1 Course (with Answers)

These are written specifically for the Edexcel specification which we currently teach and are excellent value for money at £5.50. The revision guide also comes with an online edition for laptops and phones.

If you choose not to buy one because you have an alternative revision guide, please could you note down the name of it below so we can check it is still current for the new GCSEs.

Please return the slip below as soon as possible and include payment via ParentPay.

Yours faithfully

Mr S Waterhouse
Head of Mathematics
