### 1. Aims

This policy aims to:

- Set out our approach to requiring a uniform that is of reasonable cost and offers the best value for money for parents and carers.
- Explain how we will avoid discrimination in line with our legal duties under the Equality Act 2010
- Clarify our expectations for school uniform

### 2. Our school’s legal duties under the Equality Act 2010

The [Equality Act 2010](#) prohibits discrimination against an individual based on the protected characteristics, which include sex, race, religion or belief, and gender reassignment.

To avoid discrimination, the school will:

- > Avoid listing uniform items based on sex, to give all students the opportunity to wear the uniform they feel most comfortable in or that reflects their self-identified gender
- > Make sure that our uniform costs the same for all students
- > Allow all students to style their hair in a way that is appropriate for school in both colour and style, whilst allowing them feel comfortable. Extremes of style and colour would be deemed inappropriate.
- > Allow students to wear headscarves and other religious or cultural symbols
- > Allow for adaptations to our policy on the grounds of equality by asking students or their parents or carers to get in touch with the Senior Leadership Team, who can answer questions about the policy and respond to any requests.

### 3. Limiting the cost of school uniform

The school has a duty to make sure that the uniform we require is affordable, in line with statutory [guidance](#) from the Department for Education on the cost of school uniform.

We aim to ensure that our uniform can be bought at a wide range of retailers at a reasonable cost in order to offer best value for money for parents and carers.

We understand that branded items cannot be purchased from many retailers and we have therefore sought to limit the number of these items. The majority of our uniform is now non branded and generic (see Section 4.1 – School Uniform). Where branded items are required e.g. school polo shirts or jumpers, these can be purchased as a generic item and the school name embroidered on them locally (see Section 4.2 – where to purchase school uniform).

The PTA also offer good quality second hand uniform items subject to availability and can be contacted at [pta@gvsc.org.uk](mailto:pta@gvsc.org.uk)

The Senior Leadership Team and the Board of Directors are happy to consult with parents and students on any proposed significant changes to the uniform policy and will carefully consider any complaints about the policy

## 5. Expectations for our school community

### 5.1 Students

Students are expected to wear the correct uniform at all times (other than specified non-school uniform days) while:

- On the school premises
- Travelling to and from school
- At out-of-school events or on trips that are organised by the school, or where they are representing the school (if required)

Students are also expected to contact the Senior Leadership Team if they want to request an amendment to the uniform policy in relation to their protected characteristics.

### 5.2 Parents and carers

Parents and carers are expected to make sure their child has the correct uniform and PE kit, and that every item is:

- Clean
- Clearly labelled with the child's name
- In good condition

Parents are also expected to contact the Senior Leadership Team if they want to request an amendment to the uniform policy in relation to:

- Their child's protected characteristics
- The cost of the uniform

Parents and carers are expected to lodge any complaints or objections relating to the school uniform in a timely and reasonable manner.

Disputes about the cost of the school uniform will be:

- Resolved locally
- Dealt with in accordance with our school's complaints policy

The school will work closely with parents and carers to arrive at a mutually acceptable outcome.

### **5.3 Staff**

Staff, starting with Form Tutors, will closely monitor students to make sure they are in correct uniform. They will give any students and families breaching the uniform policy the opportunity to comply, but will follow up with the Senior Leadership Team or Headteacher if the situation doesn't improve.

Ongoing breaches of our uniform policy will be dealt with by following the Behaviour Policy – see below:

A high standard of personal appearance is expected and anyone arriving at school in non-uniform clothing/footwear may expect to be removed from lessons. Hair colour and style must be appropriate for school. Smart Start for Uniform is checked every day in Form Time.

Parents and carers and students are clear on uniform expectations and informed through school prospectus, letters, emails, parents' and carers' evenings, website and in student planners.

Infringements of the policy are followed up by form tutors with the student and with home by phone call or letter/email by the Senior Leadership Team. In repeated cases, there may be an internal isolation given to the student until the uniform is rectified.

In cases where it is suspected that financial hardship has resulted in a student not complying with this uniform policy, staff will take a mindful and considerate approach to resolving the situation, potentially offering practical and financial support where needed.

### **5.4 Directors**

The Board of Directors will review this policy and make sure that it:

- Is appropriate for our school's context
- Is implemented fairly across the school
- Takes into account the views of parents and students
- Offers a uniform that is appropriate, practical and safe for all students

The board will also make sure that the school's uniform supplier arrangements give the highest priority to cost and value for money, for example by avoiding single supplier contracts and by re-tendering contracts at least every 5 years.

## **6. Monitoring arrangements**

This policy will be reviewed every 3 years by the Senior Leadership Team and approved by the Board of Directors.
