Fixed Term Teacher of Science

Required January – March 2026

We are looking for a talented and positive teacher with a passion for their subject, who has an absolute belief in the limitless potential of young people.

This post is for a Science Teacher on a fixed-term contract, joining our creative and academically successful Science Faculty from January to March 2026. Students enjoy all aspects of science and are enthusiastic and engaged in both theory and practical lessons. You will have the opportunity to work across the 11-16 age and ability range, enabling all our young people to achieve their personal best.

We are looking for someone with excellent teaching, organisation and communication skills who will be able to work as part of a highly motivated Science Faculty. While an enthusiasm for physics is preferred, it is by no means essential.

Please visit our website www.fairfield.hereford.sch.uk to find out more about our outstanding school and to download an application pack.

This school is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. All post holders are subject to a satisfactory enhanced Criminal Records Bureau disclosure.

Closing date for applications: Wednesday 10th December 2025

Interviews to be held the week commencing 15th December 2025.
