Fairfield staff will lead the activities, and we have worked hard to make sure every day is fun packed and each will be better than the last!

#### Timings

Each day will run from 9am to 3.30pm. Students need to be signed in and out at reception. A member of staff will be on hand to register your child each day.

## Food and Drink

Students will need to bring a packed lunch; other drinks and snacks will be provided. Please, no fizzy or energy drinks and no chewing gum. A kit list for each day can be found at the end of the letter.

## Transport

Transport to and from Fairfield is the responsibility of parents and carers and we ask that parents collect their child promptly each day at 3:30pm. Students are allowed to walk home, as they might when they begin school in September.

## Medical and Emergency Contacts

Please ensure you've completed the registration form before Friday 4<sup>th</sup> July, (at the start of the letter). It is essential that we have the most up to date medical and emergency contact information should we need it.

## Conduct

We expect all children to behave sensibly and appropriately throughout the week, upholding the values of our school.

If we feel your child is not behaving in a manner that we expect and is not willing to follow instructions of our staff, parents will be required to collect their child immediately and there is a strong possibility they will not be able to return to any of the remaining sessions, in which case no monies will be refunded.

## Kit

School uniform is not required for the week; however, we ask that clothing is comfortable and appropriate for the events held. Parents and carers are asked to remind students that they will be involved in a wide range of activities each day and will need to be in clothing that allows them to be active and is functional; this is not a fashion show!

Proposed kit list (weather dependent)

- Trainers
- T-Shirt and a change for hot weather
- Joggers and shorts
- Coat (weather dependent)
- Hat
- Sun cream
- Inhalers and medication if required
- Drink bottle that is labelled
- Packed lunch – Please ensure this is appropriate (no sweets or fizzy drinks)

Please remember that this is just a guideline and if there is anything extra that your child will require, please do not hesitate to send them in with it.

If you have any questions, please contact Miss Botting ([lbotting@fairfield.hereford.sch.uk](mailto:lbotting@fairfield.hereford.sch.uk)).

We are looking forward to welcoming your child to our lovely school for a great week of summer activities!

Yours faithfully

Miss L Botting and Mr S Muirhead
