12th November 2025

Dear Parents and Carers,

Re: Post 16 opportunities Future Fair for Years 9, 10 and 11

We are delighted to invite you and your child to our post 16 opportunities Future Fair, which will take place in the afternoon on Wednesday December 3rd 2025, in the school hall.

The Future Fair is designed to help students explore opportunities available to them after secondary school — including further education, apprenticeships, training providers, and career pathways.

During the school day, students in Years 9, 10 and 11 will have the opportunity to visit the fair to speak with exhibitors and support their future planning.

We also warmly invite parents and carers to attend the after-school session from 3.45pm-5pm. This will be an excellent opportunity for you to meet representatives from local colleges, apprenticeship providers, the Army, and career advisors, and to gather information that will support your child in making informed choices about their next steps.

We believe this event will be extremely valuable in helping our students consider their future options and make confident, well-informed decisions.

We look forward to welcoming you to this exciting event.

Yours faithfully

Mrs Hart
