

17<sup>th</sup> March 2026

Dear Parents and Carers,

### GCSE Mathematics Revision Guides

Whilst we prepare students thoroughly in their lessons for their exams, we also expect them to undertake independent revision. The Mathematics Department would like to recommend as good value for money the revision guide and two separate workbooks published by CGP.

- GCSE Maths Edexcel Revision Guide for the Grade 9-1 Course (with Online Edition)
- GCSE Maths Edexcel Exam Practice Workbook for the Grade 9-1 Course (with Answers)
- GCSE Maths Edexcel Workbook for the Grade 9-1 Course

These are written specifically for the Edexcel specification that we currently teach and are excellent value for money at £11.00 for all three. The Revision Guide also comes with an online edition for laptops and phones.

Please complete this form following the link below as soon as possible and include payment via ParentPay. Students in receipt of Free School Meals do not need to pay but should still return the reply slip.

[Year 10 Revision Guides](#)

Yours faithfully

Mr S Waterhouse  
Head of Mathematics
