Dear Parent/Carer,

Spanish and French Dictionaries

We are currently offering students the opportunity to purchase foreign language dictionaries to aid with learning in school and assist their independent learning at home at a reduced price.

For £7.00 each (R.R.P. £9.99), students can purchase Spanish or French dictionaries complete with plastic jacket.

If you would like to purchase one of these for your child, please make the relevant payment of £7.00 via Parent Pay. We will be closing Parent Pay on the 25th September.

We have only secured this price on the basis that we place a minimum order of 30. If we do not have 30 orders, we will not buy the dictionaries and all monies paid will be refunded.

Yours faithfully,

Mrs S Price
(MFL Coordinator)
