23rd September 2026

Dear Parents/Carers

Macmillan Coffee Morning Charity Event
Friday 25th September 2026

You may have seen from the adverts on television and social media that the annual coffee morning organised by the Macmillan Cancer Support to raise funds to fight cancer is taking place again this year and we will be supporting it at Fairfield on Friday 25th September. Sadly, it seems that one in two of us will contract cancer in our lifetime, and here at Fairfield we like to support the fight to end it.

The arrangements for this year's Cake Sale are as follows:

- Friday 25th September – **break time only.**
- We would be grateful for any donations of cakes homemade or prepacked but please can all ingredients be clearly listed.
- Students will be able to purchase their cakes from stands around the school grounds.
- There will be cakes available for students with allergies, ingredients of cakes will be available
- Prices are 50 pence per cake, to a maximum of 2 cakes for £1. Bigger donations welcome!
- No change will be given, so exact money is needed.
- If you would like to donate to the Macmillan Charity and not take part in the cake sale, students are very welcome to donate straight into the pots!

This is a very important date in the school calendar, and we hope that as many students as possible will join in. Thank you for your support.

Yours faithfully

Mrs Rodgers
Head of Humanities
Charities Co-ordinator
