Dear Parents and Carers

Year 11 Mathematics Support

I am writing to inform you that after school **revision sessions for Maths will be held every Tuesday**. These will run from 3.25pm to 4.25pm. The sessions are an opportunity for students to bring problems with them that they may be having in class or from their own private revision using revision guides, past papers or online resources. Sessions will be staffed by members of the Maths department.

We have previously found that attendees to these sessions perform significantly better in end of year exams and would encourage students of all abilities to attend. We look forward to seeing as many students as possible there.

If you have any queries, please contact me through the school office admin@gvsc.org.uk

Yours faithfully

Mr Waterhouse

Head of Mathematics
