Fairfield Careers Provider Access Statement

Provider Access Statement

This policy statement sets out the school's arrangements for managing the access of providers to students at the school for the purposes of giving them information about the providers' education or training offer.

This complies with the school's legal obligations under Section 42B of the Education Act 1997.

Management of provider access requests

Opportunities for access: our provision includes various opportunities for students to access a range of events. These are mainly integrated into the schools careers programme and curriculum. These events are therefore delivered internally, with contribution from external providers where appropriate.

Procedure

A provider wishing to request access should contact Mrs P. Hart, Senior Learning Manager, via the school contact details- admin@fairfield.hereford.sch.uk or ring on **01981550231**
Local providers are invited to key relevant events. In addition, external providers interested in coming into school should speak to Mrs Hart to identify the most suitable opportunity.

The school policy on safeguarding sets out the school's approach to allowing providers into school as visitors to talk to our students.

Resources

Once visits have been agreed, the school will provide appropriate rooming to facilitate the visit, along with any equipment requested by the provider, where it is available.

Providers are welcome to leave a copy of their prospectus or other relevant course literature with Mrs Hart for the careers section in the school library. The school library is available to students at break and lunchtimes.
